GAG

Gangotri – III is a mountain among a group of mountains in the state of Uttarakhand in India. Gangotri is famous as one of the 4 dhams (religious places), which is frequently visited by lot of people in India. Gangotri group of peaks consist of Gangotri -I, Gangotri -II and Gangotri-III. Also, this valley is known for the very famous “Auden’s Col” trekking expedition, which a lot of people undertake. Most of the climbing community goes to the east of Gangotri, in the Bhagirathi valley, to climb peaks there, and in comparison to that, very few come to this valley.
